To match the home's newly refined exterior, landscape architect Keith Williams gave the backyard a cleaner, more organized look. McKinnon and Harris chaises sit poolside; the lawn area was inset with pavers leading to the pool stairs. The gardenscape, installed by Lopez Group, features a green, white, light pink, gray and silver color palette inspired by the owners. The pool was refinished by Royal Palm Pools.

Opening off the living and family rooms, and with close proximity to the pool, the protected loggia is a comfortable gathering place. The gray tones utilized inside are reflected in outdoor furnishings by McKinnon and Harris, all from Hive. A gray grid that matches the home's shutters functions as a living wall. Ceramic garden stools by Made Goods serve as cocktail tables; the light fixtures are by The Urban Electric Co.

“WE LEANED TOWARD A BRITISH COLONIAL FEEL, BUT TAKEN UP A NOTCH TO MAKE IT MORE CONTEMPORARY AND CHIC.”
