ETRUSCAN STRIPE: ROBIN'S EGG

MH-5613-4610

As one of our most prized museums in Richmond, the Virginia Museum of Fine Arts houses a brilliant variety of ancient Mediterranean objects in its permanent collection. Inspired by many of their Etruscan antiquities, this design has a wonderfully tribal feel to it. This pattern's double-sided nature allows for application on a light or a dark side.

This fabric is available as a custom in any of our exclusive finish-coordinating Piume color ways. Minimum yardages may apply.
